Colonel
R.G. LEIDICH
U.S.M.C.

Colonel Leidich was commissioned upon graduation from the University of California at Berkeley in 1959. Since his graduation, Colonel Leidich has served in a variety of billets. Included in his service billets are: Rifle Platoon Commander, Company Commander, Battalion Landing Team Operations Officer, Commanding Officer Second Battalion, First Marines, and Acting Chief of Staff, First Marine Air Wing. Colonel Leidich served two tours in Vietnam and was decorated with the Bronze Star with Combat "V", the Navy Commendation Medal with Combat "V", and the Combat Action Ribbon. He has attended numerous professional schools including Amphibious Warfare School, Marine Corps Command and Staff College, and the Army War College. The Colonel stresses the need for all Midshipmen to strive for "balanced excellence" in physical fitness, unit and community activities, and most importantly, academics.

One of the Most important qualities of leadership is to set the example. Colonel Leidich in his billet as Commanding Officer and Professor of Naval Science certainly sets the example for his entire unit staff and his battalion of Midshipmen. Although Colonel Leidich finds himself very busy keeping a "tight ship", he does find time for his personal physical fitness program. Colonel Leidich was named the Winner of the "All Marine Handball Tournament" numerous times and has collected in excess of

200 trophies. This past year, Colonel Leidich has taught many of the Midshipmen here at Oregon State the fine art of competitive handball. Colonel Leidich plans to continue his handball "career" and seeks to increase his already impressive collection of championship trophies.

Colonel Leidich addresses the Battalion at the Navy/Marine Corps Birthday Ball. The Birthday Ball was, as usual, an exciting event for everyone who attended.

Commanding Officer

Commander
C. J. Michael
U.S.N.

Commander Michael was commissioned upon graduation from Women's Officer Candidate School in 1973. She went into Women's Officer Candidate School after graduating from Incarnate Word College, upon the completion of two years of teaching, and two years of service with the Peace Corps in India.

After her commissioning, Commander Michael served in many billets at the following commands: Commander Training Command Pacific in San Diego; Security Group Department of the Naval Communications Station in San Diego; Navy Recruiting District Seattle in Seattle; English Department, U.S. Naval Academy at Annapolis; Executive Officer, Navy Recruiting District Kansas City, in Missouri; and finally to the Naval Reserve Officer Training Corps here at Oregon State University.

Commander Michael received her masters degree in Education from Pepperdine University through night school classes while she was attached to Commander Training Command Pacific in San Diego.

Commander Michael is married to Philippe Michael of Cap d'Antibes, France. They have three sons — Partick-10, Christopher-7, and Kevin-3.

Commander Michael looks forward to her tour here at Oregon State and gives the following advice to all the members of the NROTC Battalion: "Seize the moment, always grab the opportunity as it presents itself. Opportunities go away as budgets, time, commands, and qualifications change."

Commander Michael is congratulated by Colonel Leidich as she receives her appointment to the rank of Commander.

Executive Officer

MAJ. R. M. COTTEN

Marine Instructor

This is Major Cotten's first year at Oregon State University . . . as an instructor that is. Major Cotten graduated from Oregon State in 1975. Upon graduation, he, like all Marines, attended the Basic School. Major Cotten has held many billets during his tenure in the Marine Corps. Major Cotten returned to his Alma Mater to be the Marine Officer Instructor. He also coordinates the Battalion staff and heads the MECEP program here at Oregon State.

Major Cotten and his wife, Debra have three daughters, Catherine, Laura, and Shannon. Welcome aboard, sir!

LT. G. L. SOCHA

Senior Instructor

This is Lieutenant Socha's second year at Oregon State. He graduated from the University of Wisconsin at La Crosse, with a degree in Administrative Recreation. He was commissioned through Aviation Officer Candidate School and attended flight training in Pensacola, Florida. Lieutenant Socha received his naval flight officer designation at Mather Air Force Base and then went to Jacksonville, Florida to join Patrol Squadron Fifty-Six (VP-56). During his career, Lieutenant Socha made three deployments to Rota, Spain; Keflavik, Iceland; and Sigonella, Sicily. Lieutenant Socha enjoys weight training and dancing.

LT. K. W. FARKAS Junior Instructor

Lieutenant Farkas graduated from the University of South Carolina in 1981 with a B.S. Degree in Marine Biology. He was commissioned an Ensign upon graduation, through the NROTC program there. Lieutenant Farkas reported to the Nuclear Power School in Orlando, Florida, for nuclear propulsion training. He then attended nuclear prototype training in Idaho Falls, Idaho. After completing Submarine Officer Basic School in New London, Conn., he reported to his first boat, the USS SIMON BOLIVAR (SSBN-641) (GOLD). Lieutenant Farkas spent 25 months aboard BOLIVAR, where his billets included Communicator and Electrical Division Officer. From the BOLIVAR, Lieutenant Farkas transferred to the USS MARIANO G. VALEJO (SSBN-658) (GOLD), where he served 18 months as the DCA, Communicator, Main Propulsion Assistant and Assistant Engineer. This is Lieutenant Farkas' last year here at OSU. "Good luck, sir!" from all of us.

LT. M.V. MCGOWAN Sophomore Instructor

After graduating from Cal State, Lieutenant McGowan attended Aviation Officer Candidate School at the Naval Air Station in Pensacola, Florida. Upon completion of training, he was designated a Naval Flight Officer and assigned to the A-6E INTRUDER. He was a member of Attack Squadron 196 aboard the USS CORAL SEA (CV-64). Lieutenant McGowan and his wife Therese have four children. He enjoys athletics and lounging around on the Unit's Dunk Tank. All of us here at Oregon State wish Lieutenant McGowan and his family the best of luck as he begins his new career.

LT. K. E. PAVLAT Freshman Instructor

Lieutenant Kurt Pavlat was born and raised in Galesburg, Illinois. After moving west in 1975, he graduated from the University of Arizona in 1980. Lieutenant Pavlat was commissioned an Ensign in the U.S. Navy in 1982 after graduating from Officer Candidate School in Newport, Rhode Island. Upon completion of Surface Warfare Officer School in January of 1983, he was assigned to the USS DULUTH (LPD-6) as Second Division Officer. Lieutenant Pavlat served a variety of billets while aboard the DULUTH including First Division Officer, Auxiliaries Officer, and Main Propulsion Assistant.

Lieutenant Pavlat is in his first year here at Oregon State. He is the Public Affairs Advisor and Coach of the Unit's Basketball team.

He and his wife Roseanne have two children, a daughter, Christina and a son, Bobby.

Rookie Check-In

Midn 1/c Becker sitting behind the wheel, smiles as rookie's load into the van. They were off to get hair cuts.

Every year, prior to the first week of classes, Rookie Orientation takes place. Rookie Orientation, more commonly called "Rookie-O" is a week-long program designed to transform college freshmen into Navy Midshipmen. Rookie-O is a time for learning, a time for conquering challenges, and a time for having fun; most importantly, however, Rookie-O is the means by which new members of our Navy Battalion are brought into our family.

OC Windle supervises Midn 2/c Hill as he demonstrates how to finger print. All rookies were finger printed as part of check-in.

Orientation

Swim Test

OC Carsten takes the plunge. All rookies were required to participate in the swim test.

Rookies await to start the under water phase of the swim test. Rookies were instructed by members of the NROTC Swim Team.

Rookie Drill And Physical Training

Rookies await the morning run. Morning physical training was used to bring the rookies together as a team.

Learning drill is a large part of Rookie-O. OC Tatum teaches proper drill movements.

The rookies pull hard for victory. Tug-a-war was just one of the physical activities the rookies participated in.

Liberty Call

NROTC Gets Physical

Midn Himstreet finishes up the sit-up portion of the PET. All Marine option students are required to complete the PFT.

Although it may not appear to be quite the same as it is in the Fleet, Liberty Call is anticipated by all the members of the Battalion. Whether it be football or prison tag, Battalion Athletics brings out the competitiveness in us all. The PRT and PFT we do not consider as part of Liberty call, but we included it here anyway. Afterall, it does pull us away from the books.

Midn Chambers snags the ball from OC Field during Battalion Athletics. The chilly fog did not stop anyone from giving their all.

Fall Car Wash

The Superwash was a great success. The Battalion washed hundreds of cars and made almost a thousand dollars!

Midn. Day and Midn. Magliano give the final rinse to a "customer" at the 9th St. station.

Two "Carlstrom Youth" entice prospective customers to the Battery Exchange location.

Marines

Each year, new Marine Option Midshipmen participate in MOFT. MOFT indoctrinates midshipmen to gunnery fire exercises, weapons familiarization, tank and helo operations and to the history and traditions of the Marine Corps. Upperclass Marine Options and MECEPS attend MOFEX. The 'candidates' are evaluated on their mental and physical aptitude for service as Marine Officers as they complete each phase of their training.

This has been a very exciting year for me and my staff. This year marks a new and exciting change in the "HARPOON" that I hope will remain for many years to come. It has been a long, hard road, but we have made it. I would like to thank all of my staff for a job very well done: Sherri Howard, Robert Field, Steve Johnson, Todd Siler, and Lt. Kurt Pavlat for his confidence in me.

It is now, with tired hands, that we lay down our pens and paper and present to you this log. Best of luck to next year's "HARPOON" editor that he will find his experience as rewarding as I have found mine.
